

13. IAN BRYAN MCINTYRE MOORE

English Oak (*Quercus Robur*)

Ian came to The Cart Shed as a participant when faced with the diagnosis of terminal cancer. His son, Stuart, wrote the tribute below.

15th November 1945 – 24th September 2025

This oak tree was taken from Dad's allotment, somewhere he loved to spend many happy hours, together with the special days whittling away in the peaceful environment of The Cart Shed... even on very cold winter days!

Dad had careers in the Royal Air Force, West Mercia Police and as a teacher.

He is dearly missed every day by his wife of 57 years, Gerry, his sons, Alec and Stuart, daughters-in-law Fran and Rebecca and his grandchildren Bronwen, Wilfie, Golda and Seth.
